THE UNITED NATIONS CONVENTION ON THE RIGHTS OF THE CHILD

Article 29

Children's education should help them fully develop their personalities, talents and abilities.

It has been a busy half term with one thing and another and the children have been working hard in both school and at home if they have been self-isolating. We are now on the run up to Christmas and although we are unable to do many of the usual activities and Christmas performances, we still will be trying to do some fun Christmas activities, in our bubbles, to celebrate this festive time of year. Mrs Carlton would also like to thank all of our parents for their patience and understanding during these unprecedented times .

Thank you
Mrs Duncan

Please note that the PD day on 30th November has been rescheduled for the week later to Monday 7th December.

Come As You Like Day

The children enjoyed coming into school dressed in all different kinds of wonderful creations. Thank you for your donations to support this event which raised just over £250. The money will be split between the local food bank and breast cancer research.

It is strongly requested that if any parents are displaying symptoms of Covid-19 or awaiting test results that they DO NOT send their children to school until a negative test has been confirmed.

Diary Dates

November

13th Interim reports to be sent out to parents

December

10th – 17th Christmas dinner

7th PD Day (school closed)

18th Break up for Christmas

Christmas Dinner

The school is still planning to have a Christmas dinner next month. This will be served in the hall but in year group bubbles. Therefore, each bubble will be allocated a day for their Christmas dinner. We will update you nearer the time, once all the arrangements have been finalised.

Anti Bullying Week 16th - 20th November.

Although the e-safety ambassadors will not be able to complete outreach work throughout the school, assemblies will be based around this year's theme: **United Against Bullying**. The children will also be doing activities and completing work in their class bubbles to consider how we can unite to address bullying both online and offline. The children can wear odd socks on Monday 16th November to start the week off.

Happy Birthday

Hope you all have a lovely day!

LEST WE FORGET

We had individual class or bubble assemblies for Remembrance Day. Special activities were completed throughout the school to remember our fallen heroes.

November

Seesaw Learning Platform.

The online Seesaw learning platform is now well established and we have had very positive feedback from parents about it. In these unprecedented times, it is going to be a valuable educational resource should your child have to spend time at home in self-isolation. If you still have not accessed the platform and would like your home learning code to be resent to you, please contact the school.

TPD Cougar

The school is supporting the local police by allowing them to exercise and train their police dogs on the school field. This happens before and after school hours and during the holidays when no one else is on the premises. A full risk assessment has been completed to support this. Currently, Police Dog Cougar is taking advantage of this and should be joined shortly by another police-doggy companion.

Access to the school office

Unfortunately, parents are still not allowed to enter the school premises or the school office area. Therefore, if you would like to speak to a member of staff, please would you phone the office to make an appointment.

Should you need to leave any letters or other items for the school office, there is a box outside the main front door where you can deposit items.

COVID 19

The main symptoms of coronavirus are:

- a high temperature - this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough - this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste - this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

Interim Reports

You should be receiving reports on 13th November about your child's academic performance and how well they are settling back into school. These will be sent out via Marvellous Me, or email if you do not have the Marvellous Me app. Of course, if you have any further questions, once you receive the report, please make an appointment to speak to your child's class teacher.
