

Health, Safety and Welfare Policy

2022

1 Introduction

1.1 The health, safety and welfare of all the people who work or learn at our school are of fundamental importance. We aim to provide a safe, secure and pleasant working environment for everyone. The governing body, along with the LA, takes responsibility for protecting the health and safety of all children; members of staff and visitors to the school site.

2 The School Curriculum

- 2.1** We teach the children about health and safety in order to equip them with the skills, knowledge and understanding to enable them to live positive, successful and healthy lives. Teachers take every opportunity to educate children in this regard in the normal school curriculum. E.G. through the science curriculum we teach children about hazardous materials, and how to handle equipment safely. Risk assessments are carried out for appropriate curriculum activities.
- 2.2** We teach children respect for their bodies, and how to look after themselves. We discuss these issues with the children in PSHE lessons and we reinforce these points in design technology, where children learn about healthy eating and hygiene. We also show them how to move and play safely in PE lessons.
- 2.3** Health and safety issues also arise when we teach care for the environment and awareness of the dangers of litter. Key Stage 2 children receive sex and drugs education. (See RSE policy.)
- 2.4** Our school promotes the spiritual growth and welfare of the children through the RE curriculum, through special events such as harvest festivals, and through assemblies.
- 2.5** Each class has the opportunity to discuss problems or issues of concern with their teacher. Teachers may use circle time to help children discuss and overcome any fears and worries that they may have. Teachers handle these concerns with sensitivity.

3 School Meals

- 3.1** Our school provides the opportunity for children to buy a meal at lunchtimes. If parents are in receipt of benefits, they may claim free school meals for their children. We do all we can to ensure that the meals provided have a suitable nutritional value, in line with the requirements of the School Standards and Framework Act of 1998 & Schools Meals Standards 2015. Stockton Borough Catering Service provides our meals
- 3.2** If children choose to bring their own packed lunch, we provide them with a suitable place to eat their lunch, and we supervise them during this time.
- 3.3** Our school promotes a healthy lifestyle. As sweets and fizzy drinks can damage children's teeth, we do not allow these to be eaten/drank in school. Parents are requested to provide a Healthy packed lunch, which does not contain a lot of food with a high sugar content e.g. cakes, chocolate biscuits, high sugar sandwich fillings.

4 School Uniform

- 4.1** It is our school policy that all children wear the school uniform when attending school, or when participating in a school organised event outside normal school hours. This may be in the form of a school PE kit.
- 4.2** We always have a sensitive approach where the issue of regulations regarding uniform conflict with any child's religious or cultural beliefs. We have drawn up the regulations regarding school uniform with due regard to issues of equal opportunity and sex discrimination.
- 4.3** It is the responsibility of the headteacher to ensure that the school uniform policy is enforced. It is not our school policy to exclude children from the school if they, for whatever reason, do not have the proper school uniform.

4.4 We ask parents to equip their children with the necessary uniform and school equipment, so that they are able to participate fully in all school activities. If a child repeatedly attends school without the correct uniform, we will inform parents and request that they make sure their child leaves home with the proper uniform. If a parent is in financial difficulties, and this results in a child not having the correct uniform or not having adequate equipment, our school will do all it can to support the parent. We ask parents not to send their child to school with 'extreme' hairstyles or the sort of appearance that is likely to cause them to draw attention to themselves. We ask parents to discuss any issues relating to their child's appearance if this is influenced by religious belief.

4.5 On grounds of health and safety, we do not allow children to wear jewellery of any description in our school.

5 Safeguarding

- 5.1** There are named people (Designated Safeguarding Lead) responsible for Safeguarding in the school. This is normally the headteacher, but s/he may delegate this responsibility in some circumstances. (Mrs Carlton, Mrs Clift & Mrs Hepple)
- 5.2** If any teacher suspects that a child in their class may be the victim of abuse, they should immediately inform the named person about their concerns.
- 5.3** The school's named Designated Safeguarding Leads work closely with social services and the Children's Hub when investigating such incidents. We handle all such cases with sensitivity and we place paramount importance on the interests of the child.
- 5.4** We require all adults employed in school to have their application vetted through police records (DBS) in order to ensure that there is no evidence of offences involving children or abuse.

6 School Security

- 6.1** While it is difficult to make the school site totally secure, we will do all we can to ensure the school is a safe environment for all who work or learn here.
Playground gates are locked from 8.55am to 3pm. Outer doors can only be accessed by means of a fob. Class doors remain closed.
- 6.2** We require all adult visitors to the school who arrive in normal school hours to sign the visitors' book in the reception area, and to wear an identification badge at all times whilst on the school premises. Mobile phones must be turned off.
- 6.3** Teachers will not allow any adult to enter their classroom if the school visitor's badge does not identify them.
- 6.4** If any adult working in the school has suspicions that a person may be trespassing on the school site, they must inform the headteacher immediately. The headteacher will warn any intruder that they must leave the school site straight away. If the headteacher has any concerns that an intruder may cause harm to anyone on the school site, s/he will contact the police.

7 Safety of Children

- 7.1** It is the responsibility of each teacher to ensure that all curriculum activities are safe. If a teacher does have any concerns about pupil safety, they should draw them to the attention of the headteacher before the activity takes place.
- 7.2** We do not take any child off the school site without the prior permission of the parent. Risk assessments are undertaken for all visits.
- 7.3** If an accident does happen, resulting in an injury to a child, the teacher will do all s/he can to aid the child concerned. We keep a first aid box in various parts of the school. All staff are first aid trained and a number have a further qualifications.
- 7.4** Should any incident involving injury to a child take place, one of the above-mentioned members of staff will be called to assist. If

necessary, the school administrator will telephone for emergency assistance. The headteacher must be informed immediately

- 7.5** We record all incidents involving injury in the school logbook/ First aid log, and we inform parents in all cases. Should a child be seriously hurt, we contact the parents through the emergency telephone number that we keep on the school files.

8 Seatbelts

9 Theft or other Criminal Acts

- 9.1** The teacher or headteacher will investigate any incidents of theft involving children.
- 9.2** If there are serious incidents of theft from the school site, the headteacher will inform the police and record the incident in the incident book.
- 9.3** Should any incident involve physical violence against a teacher, we will report this to the Health and Safety Executive and support the teacher in question if he or she wishes the matter to be reported to the police.

10 Monitoring and Review

- 10.1** The governing body has a named governor with responsibility for health and safety matters. It is this governor's responsibility to keep the governing body informed of new regulations regarding health and safety, and to ensure that the school regularly reviews its processes and procedures with regard to health and safety matters. The governor in question also liaises with the Trust/ LA and other external agencies, to ensure that the school procedures are in line with those of the Trust/LA.

- 10.2** The governing body, in consultation with professional advisors, carries out regular risk assessments to ensure that the school is a safe environment.
- 10.3** The headteacher implements the school health, safety and welfare policy on a day-to-day basis, and ensures that all staff are aware of the details of the policy as it applies to them.
- 10.4** The headteacher reports to governors annually on health and safety issues.
- 10.5** This policy will be reviewed at any time at the request of the governors, or at least once every two years.
