

## Article 29

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

## English

A lot of our written work this term will be linked to our topic including non-chronological report, biography and narrative. The children will continue to develop their sentences, grammar, spelling and punctuation. Who Let the Gods Out is our new Vipers book.

## PE

P.E. is on a Thursday with Mr Burke. Children will be learning to play volleyball and Dance. We will also be having P.E on a Friday until February half term with Mrs Johnstone from Conyers. Please ensure that your child comes to school wearing the correct school P.E. kit and appropriate footwear for each lesson.

## PSHE/RSE

We will be recognising different ways to communicate, understand the importance of listening to others, respond to different views and opinions and express our own opinions.

## Homework

Weekly homework will be uploaded onto seesaw on a Thursday. Please encourage and support your child with this and return on seesaw by the following Thursday.

Times Tables Rock Stars is also set as weekly homework task along with EdShed for spellings (weekly spelling test on a Wednesday). Children should be encouraged to read daily at home and spellings are. Your on-going support with this is much appreciated.

# Year 4 Newsletter

Spring 2022

Year 4 Team:

Mrs Charnley, Mrs Gell, Mrs Beall, Mrs Taylor, Miss Wells

## Invaders, Traders & Raiders and 1066

## Art & DT

We will be making a drawbridge for DT (empty cereal box will be needed from home).

We will learn about the Bayeux tapestry and learn some basic stitches when sewing.

## French

We shall be continuing to develop 'every day' vocabulary.

## Numeracy

This term we will be learning about formal methods for multiplication and division. Area will also be taught. We will also be exploring fractions/decimals and will continue to consolidate previous learning objectives. The children will sit a national Government test for times tables in June so we practise every day on Times Tables Rock Stars. Please encourage your child to access this from home every week. The souncheck game is the best one to practise on.

## Computing

We will be learning about how to create a simple animation. We will also be learning about managing online information and privacy and security online.

## Science

**Electricity**-How an electric circuit works. We will be finding out what insulators and conductors are.

**Teeth and eating**-Identifying teeth and their functions. Learning about the functions of parts of the digestive system in humans. Understand food chains.

## RE

We will be learning about the beliefs of Buddhism and what happened at Easter.

## Geography

Through our topic, we will learn about where the Anglo-Saxons, Vikings and Normans came from and what parts of Britain they invaded. We will also learn about the Anglo-Saxon Kingdoms and place names.

## History

We will be learning about the invasion on Britain by the Anglo-Saxons, Vikings and Normans and significant events during these times. We will also learn about the Battle of Hastings in 1066.

## Music

The children will be having ukulele lessons as their music curriculum for this term.
