## Article 28

You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

We hope that you all had a lovely summer holiday.

It is great to have the children back in school enjoying their learning and being with their friends again. They seem to be settling well into their new classes and all look very smart indeed. Thank you for getting them organised and back to school after a long time off.

A very big welcome to all of our new starter children and to our new members of staff; Miss Abbey in Reception, Mrs Wilkinson in Y2, Mr Greysmith in year 4 and Mr Dunn in year 3.

We anticipate this to be another busy term with lots of learning and new challenges ahead and look forward to working with you to achieve the best possible outcomes for your child.

Please do not hesitate to contact the school office if you have any questions.

Mrs Hepple our school PSA is also available to help and can be contacted on: 07837729122.

## Reading at Bewley

We endeavour to foster a love of reading at Bewley and encourage children to read as much as they can, whenever and wherever they can! Please keep reading with your child. We encourage you to read as much as possible. A minimal requirement of three times a week is requested and we ask that you record this in your child's reading record book. Happy Reading!

### Oxford Owl eBook Library

### Jewellery

We have a few children who are still unable to take their earrings out after having their ears pierced. If this is the case children need to have their ears covered (micro tape) in school & particularly for PE. One of our parents has told us that you can buy clear plastic ear retainers on e-Bay or amazon very cheaply. These seem to really work and take away the need for micro-tape in school.

We have a selection of good quality school uniform which has been donated by previous students. Please contact Mrs Hepple or the school office if you are able to recycle it. Thank you

### Internet Safety

Please be vigilant regarding online safety and *know exactly what your child is accessing whilst on line*. Internet safety tips can be accessed on our school website.
