

## Article 29

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

## English

A lot of our written work this term will be linked to our topic including non-chronological report, diary, and narrative. We will also be writing our own Kennings Poems. The children will continue to develop their sentences, grammar, spelling and punctuation. Who Let the Gods Out is our new Vipers book.

## PE

P.E. is on a Thursday with Mr Burke. Children will be learning to play volleyball and Dance.

## PSHE/RSE

We will be recognising different ways to communicate, understand the importance of listening to others, respond to different views and opinions and express our own opinions.

## Homework

Seesaw: Homework is set weekly on Seesaw to consolidate learning.

Reading: It is expected that all children read at least 3 times per week.

Spelling: Spellings are set via EdShed and will be tested on a Thursday.

TTRS: Children need to access Times Table Rockstars at home. Children should play on garage and complete one soundcheck.

# Year 4 Newsletter

Spring 2023

## Invaders, Traders & Raiders and 1066

## DT

We will be making a drawbridge and learning some basic stitches to create a purse.

## Art

We will be looking at the Bayeux tapestry and learning about tone.

## French

We shall be continuing to develop 'every day' vocabulary.

Year 4 Team:

Mrs Gell, Mr GreySmith, Mrs Beall, Mrs Bromby, Mrs Baines and Mrs Cheal.

## Numeracy

This term we will be learning about formal methods for multiplication and division. Area and perimeter will also be taught. We will also be exploring fractions/decimals and will continue to consolidate previous learning objectives. We continue to have a daily focus on arithmetic and written methods for the four operations. We will also continue to learn our times tables as the children will sit the National Times Table Screening Test in June.

## Computing

We will be learning about systems and networks (The Internet) and Audio production.

## Science

**All Living Things-** We will look at different ways to classify animals and classification keys. We will also look at how environments can change and how this poses a risk to living things.

**Animals including Humans-** Identifying teeth and their functions. Learning about the functions of parts of the digestive system in humans. Understand food chains.

## RE

We will be learning about the church and what happened at Easter.

## Geography

Through our topic, we will learn about where the Anglo-Saxons, Vikings and Normans came from and what parts of Britain they invaded. We will also learn about the Anglo-Saxon Kingdoms and place names.

## Music

The children will be having ukulele lessons as their music curriculum for this term.

## History

We will be learning about the invasion on Britain by the Anglo-Saxons, Vikings and Normans and significant events during these times. We will also learn about the Battle of Hastings in 1066.
