You have the right to a good quality education. You should be encouraged to go to school to the highest level you can. Article 28

Welcome to the May newsletter.

Since returning to school, our KS2 children have continued learning new opera songs with The London Opera House and children have celebrated success with reading rewards.

Our fabulous nursery children have also enjoyed a maths week ending with a Ten Town day. The children looked amazing in their Ten Town costumes and enjoyed lots fun activities involving parents. We look forward to welcoming more parents into school over the coming term to promote a love of maths. It is lovely to see children enjoying the sunshine and playing out on the school field. Fingers crossed for more dry weather!

Year 6 SATs will take place w/c 13th May. We wish our children well in their assessments.

They are all stars!

As always, well-being comes first so please contact school if you have any worries or concerns regarding the SAT tests. Enjoy the bank holiday weekend!

Mrs Cliff

We are very proud of our recent OFSTED inspection report.

It encapsulated what is so wonderful about Bewley Primary School:

- Our exceptionally well-behaved pupils who are bright proud and successful.
- The warm and positive relationships between staff and pupils.
- The pride that pupils, parents, and staff feel to be members of our school community.
- The love of reading which the school has nurtured and the strong routines in place that encourage and reward reading.
- The range of experiences and life skills that children are exposed to that develop the whole child, beyond the classroom.
- Our ambitious curriculum that encompasses a depth of knowledge and breadth of experiences.
- Pupils with SEND access the same ambitious curriculum alongside their peers with the right level of support to allow them to achieve, whilst also building their independence.
- Trustees and governors maintain strong oversight of the school. They support leaders to ensure that pupils and staff at Bewley continue to excel.

Please access the full report by accessing it on the school website.

Thank you again for your continued support!
