## Article 28

**You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.**

Welcome back everyone - we hope that you had a great holiday! It almost feels like we have never been away.

There is a lovely sense of calm around school and children are settling well into their new classrooms. Thank you for getting the children ready for the new school year. They look so smart! Our Reception and Nursery children have quickly settled into their new routines. A big welcome to our new families.

I hope that you find this monthly newsletter a useful source of information. Please mark your calendar with important dates (see below).

The Senior Leadership Team are looking forward to greeting children and parents at the school gates, getting to know you and answering any questions that you may have.

Thank you for your understanding regarding the closing of the Y5/6 gate on a morning.

The front of the school is now less congested for pedestrians, nursery parents and visitors.

We look forward to lots of new learning, challenges and fun that lies ahead! Please do not hesitate to contact the school office if you have any questions.

Mrs Hepple our school PSA is also available to help and can be contacted on: **07837729122**.

She still has some lovely new winter coats that are looking for a good home.

Kind regards,

Mrs Cliff

## Reading at Bewley

We endeavour to foster a love of reading at Bewley and encourage children to read as much as they can, whenever and wherever they can!

Please keep reading with your child. We encourage you to read as much as possible. A minimal requirement of four times a week is requested, and we ask that you record this in your child's reading record book.

### Happy Reading!

### Jewellery

We have a few children who are still unable to take their earrings out after having their ears pierced. If this is the case, children need to have their ears covered (micro tape) in school & particularly for PE.

We have been informed that you can buy clear plastic ear retainers on E-Bay or Amazon very cheaply. These seem to really work and take away the need for micro-tape in school.
