

Welcome to the Spring Term. Just to let you know a little of what your child will be learning about...

Year 4 Newsletter

Spring 2025

Year 4 Team:

Mrs Gell, Miss Jones, Mrs Charnley, Mrs Beall, Mrs Bain and Mrs Taylor.

English

A lot of our written work this term will be linked to our topic including a non-chronological report, biography and narrative. The children will continue to develop their sentences, grammar, spelling and punctuation. Children are still encouraged to read (at least four times a week) at home and spellings are given on Spelling Shed every week in preparation for a test each week. Your on-going support with this is much appreciated.

Year 3 / 4 Production

Children in Year 4 will get the opportunity to have speaking roles in our production. More information to follow.

PE

P.E. is on a Tuesday again this half term. Children will be doing gymnastics and netball. Please ensure that your child comes to school in a P.E. kit and appropriate footwear for every lesson.

PSHE

We will be recognising different ways to communicate, understand the importance of listening to others, respond to different views and opinions and express our own opinions.

Article 29

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

Who invaded Britain and what was their impact?

TTRS

To prepare for their multiplication test in June, it is essential that children practise their times table recall at home. We recommend 5 minutes 4 times per week.

Computing

We will be learning about programming shapes.

After half term, we will be looking at spreadsheets.

Art

We will be looking at Anglo-Saxon brooches and the skill of etching.

We will also be working on our embroidery skills.

DI

We will be designing and making a pencil case and practising our sewing skills.

RE

RE We will be learning about what happened at Easter.

French

We shall be continuing to develop 'every day' vocabulary.

Music

The children will be composing their own Rap song to the rhythm of "Stop".

Numeracy

This term we will be learning about formal methods of multiplication and division. Area will also be taught. We will also be exploring fractions/decimals and will continue to consolidate previous learning objectives.

Science

We shall be learning about identifying teeth and their functions, the functions of parts of the digestive system in humans and different food chains.

Geography

Through our topic, we will learn about where the Anglo-Saxons, Vikings and Normans came from and what parts of Britain they invaded. We will also learn about the Anglo-Saxon Kingdoms and place names.

History

We will be learning about the invasion on Britain by the Anglo-Saxons, Vikings and Normans and significant events during these times. We will also learn about the Battle of Hastings in 1066.
