Article 28 - 'You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.'

We hope that you had a great half term and enjoyed the lovely weather. Spring is certainly in the air! Last half term was a time of great celebration for our football teams. The girls came second in their league and the boys finished first which will secure them a place in the finals at Rockcliffe Hall. We are extremely proud of both teams and look forward to cheering the boys on to the finals!

Year groups enjoyed a range of exciting curriculum enrichment experiences last term, which included Y3 visiting a Roman fort, and Reception children enjoying a fairy-tale ball! Please log in to our Facebook page to get a flavour of some of the fabulous things that go on at Bewley! As you can see from the dates below, there is a lot going on in school, so please make a note of them in your diary

We look forward to seeing you all at Parents Evening w/c 10th March.

As always, please do not hesitate to contact the office if you have any questions.

Take care,
Mrs Clift

Attendance

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. We cannot stress how important it is that children are in school.

Attendance goal: 97%

The end of the first half term saw our attendance at 96% from reception to Year 6. **This is a great start!**

Coming to school on time every day is important to your child's success and learning from Nursery onwards. Missing 10% of school (1 or 2 days every few weeks) can make it harder to:

- Gain reading and math skills.
- Build friendships.
- Build on good progress which leads to reaching age related expectations and above.

Time off school

Mrs Hepple is our attendance champion supported by Mrs Clift.

They are both available to discuss any issues/challenges that you are experiencing, and that school may be able to help with.

Well done to 1U, 2H (managed to achieve this twice), 2M, 3S (managed to achieve this six times), 4G, 4JC, 5T, 6C, 6R who have each had a full week of 100% attendance!
